HERE'S HOW IT WORKS

Fund raising efforts are for non profit organizations only

Your group supplies

- People who want family photos - minimum 15
(10-15 minute photo sessions)
OR
- Groups of individuals for specialty photos (Sports, Dance, Church, School, Child care, etc.)
- Volunteers
We have streamlined our efforts to make volunteers almost unnecessary.
All we really need is a contact person to help us with distributing handouts and posting pre event advertisements.
- Location
 - outdoors (preferrably handy to electricity)
or
 - indoors (minimum room size 12' x 15')

Your group receives

- Up to 10% of all proceeds
OR
- \$25 - \$40 sitting fee from each participating family
- Affordable photo session
- Affordable prints and enlargements
- Great photos documenting their family

If your group is Sports or School: (Large volume, Individual photos)

- \$25 sitting fee is not an option
- Up to 10% of all proceeds

WE PREFERR TO PROVIDE ONSITE IMAGE REVIEW TO
MAXIMIZE SALES
THEREFORE MAXIMIZING FUND RAISING PROCEEDS
